Membership Classifications

Active:

Active members in good standing are the only class of membership with the right to vote and to hold office. Active members are subject to the payment of dues and assessments. Active membership in the Society shall be open to those qualified neurosurgeons who meet all of the following criteria:

1. Licensed to practice Medicine and Surgery within the Commonwealth of Pennsylvania;
2. Certification by, or eligibility (as defined by the applicable entity) for certification by, the American Board of Neurological Surgery, American Board of Osteopathic Surgery, or Royal College of Surgeons of Canada;
3. Engaged in the active practice of Neurosurgery within the Commonwealth of Pennsylvania; and
5. Have good professional, moral and ethical standing in the community.

Provisional:

Provisional membership is open to those Neurosurgeons who, at the time of application, have met all of the criteria for Active membership except for involvement in the exclusive practice of Neurosurgery within the Commonwealth of Pennsylvania. Upon the majority vote of the Council, Provisional membership status shall be granted for a term of one year. At the conclusion of one year, a provisional member who meets all of the criteria for Active membership shall be eligible for Active membership at the next general business meeting. If a provisional member fails to be elected to Active membership status, the Council, in its discretion, may extend the Provisional membership status for an additional year. Provisional members shall enjoy all the privileges of membership except the right to vote and hold office and shall be subject to the payment of dues and assessments.

Corresponding:

Corresponding membership shall be open to practicing physicians, otherwise qualified under the criteria for Active membership, but who reside outside of the Commonwealth of Pennsylvania. Corresponding members shall enjoy all the privileges of membership except those of voting and holding office. Corresponding members are subject to dues and assessments.

Affiliate:

Affiliate members shall enjoy all the privileges of membership except those of voting and holding office. Affiliate members are subject to dues and assessments established by the voting members from time to time, and must be:

4. A physician, neuropsychologist, nurse, nurse practitioner, physician assistant, or neuroscientist;
5. Practicing his or her profession in the Commonwealth of Pennsylvania, and
6. Supported by an Active Member.

Resident:

Resident membership in the Society is open to those residents in training in Neurological Surgery in an AMA or AOA approved residency in Neurological Surgery. Resident members shall not be required to pay dues but shall enjoy all the privileges of membership except those of voting and holding office.
