

REIMAGINING OUR FUTURE

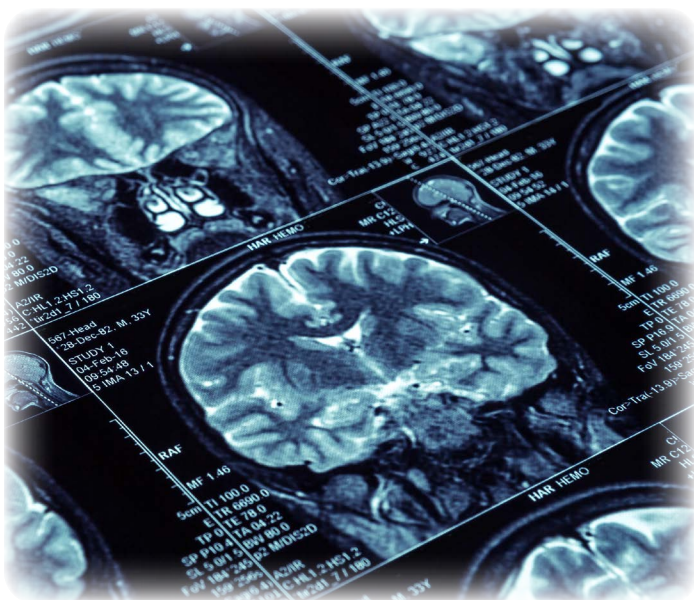

107th ANNUAL SCIENTIFIC MEETING
December 10-11, 2021 THE HOTEL HERSHEY, HERSHEY, PA

Don't Miss This Year's Program!

As a practicing neurosurgeon in the region, you know first-hand the impact that your neurosurgery practice has had on the health of the community via the delivery of high-quality complex neurosurgical care. Join us at the PNS Annual Meeting for these and other valuable sessions which may be of special interest to you!

**Don't Miss the Reception
on Friday Night!**

Panel Discussions

- **Reimagining Community Neurosurgery:**
The Changing Landscape of Neurosurgery in Central Pennsylvania
Moderator: Dr. Pawel Ochalski
Panelists: Dr. Joel Winer
- **Alphabet LIFS**—Panel discussion reviewing indications for various interbody fusion options including case presentations and audience polling technology.
- **High Impact Literature Updates**
—Newest studies and cutting edge research on the neurosurgical frontier.
